

Overall Contents

Introduction Outline of Welding

| | |
|---|-----|
| 1. Foreword | 002 |
| 2. Advantages and Disadvantages of Welding | 003 |
| 3. Types of Welding Process | 004 |
| 4. Compatibility between Welding Processes and Metallic Materials | 006 |

Chapter 1 Welding-Related Safety and Hygiene Precautions

| | |
|---|-----|
| 1-1. Welding and Accidents | 008 |
| 1-2. Types of Welding-related Accidents and Preventive Measures | 009 |

Chapter 2 Base Metals

| | |
|------------------------------|-----|
| 2-1. Steels | 016 |
| 2-2. Welding of Steels | 021 |
| 2-3. Aluminum and Its Alloys | 023 |

Chapter 3 Choice and Handling of Welding Rods

| | |
|--|-----|
| 3-1. How to Choose a Covered Electrode | 026 |
| 3-2. Handling of Covered Electrodes | 029 |

Chapter 4 Electricity and Arc Welding Machines

| | |
|--|-----|
| 4-1. Basic Knowledge of Electricity Required for Arc Welding | 032 |
| 4-2. Knowledge of Electricity Required for Handling of Arc Welding Machinery | 035 |
| 4-3. Arc and Its Properties | 037 |
| 4-4. Arc and Its External Output Characteristics | 038 |
| 4-5. Arc Welding Machines | 038 |

Chapter 5 Shielded Metal-Arc Welding Operations

| | |
|--|-----|
| 5-1. Preparing for Welding Operations | 040 |
| 5-2. Basic Shielded Metal-Arc Welding Skills | 043 |
| 5-3. Practical Skills of Vertical Position Welding | 050 |

Chapter 6 TIG Welding Operations

| | |
|---|-----|
| 6-1. AC and DC TIG Welding Operations | 054 |
| 6-2. TIG Welding Equipment Configuration | 055 |
| 6-3. Functions Required for TIG Welding | 057 |
| 6-4. Preparing for TIG Welding | 058 |
| 6-5. Aluminum Welding Basics and Practical Skills | 061 |
| 6-6. Welding of Stainless Steels | 068 |

Chapter 7 Gas Welding Operations

| | |
|--|-----|
| 7-1. Gas Cylinders and Their Handling | 072 |
| 7-2. Pre-Welding Preparation | 076 |
| 7-3. Basic Skills for Gas Welding Operations | 080 |

Chapter 8 Gas Cutting Operations

| | |
|---|-----|
| 8-1. Preparing for Gas Cutting Operations | 085 |
| 8-2. Practical Gas Cutting Skills | 087 |

Chapter 9 Flame Brazing Operations

| | |
|--|-----|
| 9-1. Flame Brazing, Using Brass Brazing Filler Metal | 092 |
| 9-2. Flame Brazing of Copper Pipe and Brass Nipple, Using Silver Brazing Filler Metal | 094 |

Chapter 10 Air Plasma Cutting Operations

| | |
|-------------------------------------|-----|
| 10-1. Air Plasma Cutting Operations | 098 |
|-------------------------------------|-----|

Chapter 11 How to Prevent Weld Defects

| | |
|---|-----|
| 11-1. Weld Defects | 104 |
| 11-2. Types of Weld Cracks and Their Prevention | 109 |
| 11-3. How to Repair Weld Defects | 111 |
